

This month we have been learning 'All about me and my family'. Together with peers we have explored a variety of activities, looking at the different countries friends have lived in, their traditions, our differences and what makes us all so unique. Looking at effects on our bodies, doing yoga, moving in various positions, using the giant parachute to explore with balloons and balls.

We have also made lots of tasty savoury treats for our tea such as pizza faces, pitta bread people, cheese scones and cheese and marmite straws.

Our new preschool children have been spending more time in the preschool room, learning through games and using the interactive board.

November 2021 – Role Playing Drama

Through parent partnership our aim is to share activities and ideas over the forthcoming weeks so that you can join in the fun with us

Some activities we will be doing at nursery

- Animal mask making and roleplay
- Roleplaying as pirates with a gold coin treasure hunt
- Bonfire sensory trays and firework crafts
- Making ladybirds and counting their spots
 - Mirror Craft

Preschool Focus

This month we will be focussing on our mathematics and shape identification. We will explore our senses with different activities surrounding Bonfire Night.

What you can try at home

- Imaginative play. Pretending to run or be a customer at a shop, travel agents, doctors etc.
- Discuss your favourite stories and the different characters in them, looking at what makes them unique.
- Support with counting and number identification. List making and helping with the shopping
- Doing some baking and learning to identify the different ingredients used

We would love to see any photos of activities or experiences from home via the Interactive Learning Diary
