If we all could see the world through the eyes of a child, we would see the magic in everything!

Themes for the upcoming months...

Please look at our parent partnership and nursery life letter to see how we are covering the themes below, making them fun and educational. If you would like to participate in any way or if you have any inspirational ideas that you would like to share with us, then please get in touch.

SEPTEMBER THERE'S NO ONE QUITE LIKE ME

We will be learning about our family, home life and pets. Looking at different cultures around the world and ways of life

OCTOBER MUSIC

Looking at dance, movement, yoga, music from around the world including classical, contemporary etc. Singing and rhyming

NOVEMBER ADVENTURES IN SPACE

Planets, the moon, our solar system, galaxies, stars, space travel, the light and the dark

DECEMBER CHRISTMAS

The Christmas celebrations begin with parties, crafts, dancing and singing. Celebrating Christmas jumper day

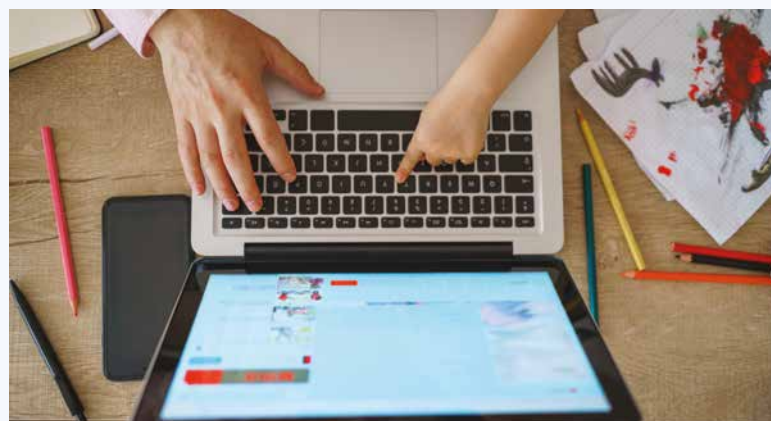

Please look out for our parent partnership letter & nursery life poster each month as together these cover some of the things we have been doing at nursery and will also give you ideas of how to extend your child's learning at home.

Parent's Meetings throughout the year

For our parents meetings this year we would like to invite you to attend via zoom/Microsoft Teams or on the telephone. This is still a great opportunity for you to talk with your child's key person about just how amazing your little one is doing so we can continue to work together to extend their learning. Helping them in all areas of their development. We do recommend you take up this opportunity, as we do miss you all not coming in. If we can offer face to face appointments again in the future, then we will let you know.

Parents of our preschool children will be able to have an additional call with Vicky or Tracy our Nursery Managers, if desired, for information regarding our preschool room and preschool learning and activities. Vicky and Tracy work alongside the preschool key workers closely to support them with ensuring your child is learning to their full potential before school.

Whenever you feel you would like either of these meetings, please simply email the nursery and they will get it booked in for you.

Staying connected in isolation

For children having to stay at home for an isolation period, we will be offering home learning ideas via the online portal or email.

Our preschool focus and parent partnership will also be uploaded on to our website monthly with ideas for activities and learning opportunities you can try at home.

Happy times are never ending when we are playing and pretending!

A huge thank you to all our families, first of all for choosing us to care for your precious little people but also recommending us and spreading the word.

We promise to continue putting your children first and strive to inspire and cherish them every day.

Thank you...
