April 2024

Three Gables
Day Nursery & Pre-School

What we've been up to this month...

Me and my world..

We have been looking at the caterpillar life cycle and watching them spin their cocoons. We have been planting seeds in the poly tunnel and getting ready to watch them start to shoot.

We have celebrated international story telling day creating tuff tray ideas and reading our favourite stories, world art day – getting very creative and messy and celebrating St George's Day through the use of painting flags and exploring the colours to make the flag with coloured rice.

What's happening next month...

May we will be looking at story time favourites.

We will continue watching all of our plants and vegetables growing in the poly tunnel and looking out for the shoots coming through and what they could be.
