# Nursery Life
## July 2025

**Three Gables**
Day Nursery & Pre-School
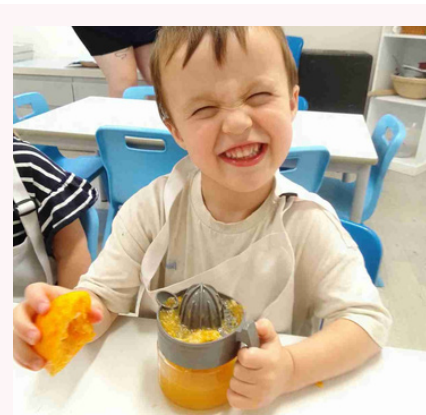

## What we've been up to this month...

This month we have been active and playing sports (exploring sports, races, egg and spoon races) We have been creating our own sports day activities such as the egg and spoon race, running races, obstacle courses, basket ball games, sack races and dancing. We have enjoyed spending lots of time in the garden, exploring water play, tea parties and building.

## What's happening next month...

In August we will be looking at tropical islands and rain forest. We will be talking and exploring about pirates, seashells, mermaids, exploring fruit tasting and exploring our five senses. We will be celebrating our pre school party week and saying goodbye to our friends that are going to school! We will also be celebrating national sandcastle day and world elephant day!

## Activities we will do at nursery:

- Handprint flamingos
- Exploring making pirate ships out of cardboard boxes
- Dressing up and role play
- Exploring party games
- Making pasta necklaces
- Science experiment (rain clouds)
- Rain dancing in the garden
- Habitat animal grouping game
- Paper plate parrots
- Tropical island sensory tray
- Threading pasta snakes

# August's Preschool focus:

We will be exploring different world cultures and different celebrations from around the world in preparation to meet new friends at school!
We will be looking at cultural differences, music from around the world, different foods and celebrating how every family is different.

## Some ideas to do at home:

- Going to get school uniform
- Practicing the walk to school
- Making carboard pirate ships
- Picnic at the park – exploring our new lunch boxes
- Making rainforest playdough with tropical animals and scents –
- Taking umbrellas for a rainy walk
- Talking about the weather
- Collecting shells at the beach
- Making fruit salad and trying new tropical fruits (exploring five senses)
- Making smoothies

We would love to see any photos of activities & experiences from home via the Interactive Learning Diary!
