Three Gables
Day Nursery & Pre-School

September 2020

www.threegablesnursery.co.uk

Dear Parents,

A big welcome back to all of our families!

As the children continue to settle back into nursery life there has been a strong focus on personal, social and emotional development and re-establishing strong person attachments.

We have spent lots of time observing and assessing the children's development, working with parents to find out current interests and plan appropriate next steps. Working towards any gaps within children's assessment records due to the lockdown period.

Since 1st June the DfE has provided temporary flexibility in meeting some requirements of the early years foundation stage (EYFS) statutory framework. This includes those around the ratios and qualifications of staff.

As always, we choose to provide the best care for the children working above and beyond the temporary requirements, continuing to make every day a special day for each and every child!

Themes for the upcoming months...

School Leavers Photos

As photo's could sadly not take place this year, Tracy our Early Years Teacher has been amazing and made every school leaver a photo collage of them and their friends as their leavers present and keep sake. These will be ready and given to you on your child's last day with us as their present and keep sake of Three Gables.

Christmas Parties

December 21st – 24th

Due to the current situation this year we will be having in-house Christmas party week. We will be making it as magical as possible with lots of Christmas fun, Christmas craft and party teas, lots of Christmas music, dancing and party games with our friends. Father Christmas will appear but from a distance being spotted in the garden dropping sacks of presents off, jingling sleigh bells in the distance will be heard and the excitement will be huge.

Zoom Meetings or Phone calls with Our key person and Early Years Teacher

This term we will be offering phone calls or Zoom meetings instead of a parent's evening for all parents to have the chance to speak with their child's key person. Parents of our preschool children from September will be able to have an additional call with Tracy our early years teacher, if desired, for information regarding our preschool room and preschool learning and activities.

Please email to arrange an appointment for either a zoom meeting or telephone call if you would like one.

Christmas Closure

For Christmas this year we will close at 5.45pm on Wednesday 23rd December and reopen at 8.00am on Monday 4th January 2021.

Last of all, we would like to say...

A huge thank you to all our families, first of all for choosing us to care for your precious little people but also recommending us and spreading the word.

We promise to continue putting your children first and strive to inspire and cherish them every day.

Thank you...
