

During the month of November, we enjoyed some amazing role play and dress up experiences like visiting the moon, a pirate treasure hunt, running restaurants and being firemen and doctors. We also listened to and acted out lots of different tales and enjoyed playing with puppets. The children have also been doing some baking this month, making lots of treats for tea such as marmite swirls, cheese scones, pizza and bread rolls. The excitement of Christmas got the better of us and we began celebrating the season early with Christmas music and activities.

What you can try at home

- Try and spot Christmas lights when out and about and see what colours there are
- Count the baubles on the Christmas tree and see how many different shapes you can find
- Christmas baking together! Mince pies, gingerbread men and Christmas cakes
- Write a letter to Father Christmas and try wrapping some presents
- Learn some Christmas Carols together

We would love to see any photos of activities or experiences from home via the Interactive Learning Diary

Merry

Christmas
